RESPONSIBLE
BUSINESS

Enabling Change for Impact

Session Objectives

- ◎ To foster a better understanding of the role of law, regulation, governance and policies in the organisation and operation of GVCs, as reflected in due diligence and related legislations
- ◎ To understand the complexities of modern slavery in GVCs through diverse case studies that reveal dynamics and limitations of GVC governance
- ◎ To understand the links between global, regional and domestic value chains in shaping modern slavery in developed, developing and emerging economies
